MISSION VISION

WHAT WOULD THE VISION BE LIKE IF HE WERE CREATED BY THE OTHER AVENGERS?

LIEUTENANT VISION (CREATED BY CAPTAIN AMERICA)

Damsels, don't distress! Just like Cap, Lieutenant Vision upholds the ideals of truth, justice, and peace. He's an all-around nice guy, too!

STYLE: Lieutenant Vision's cape is patterned after the American flag. His suit is red and white with a silhouette of an eagle on his chest. Go, 'Murica!

POWERS: His sword is made of vibranium, the same material as Captain America's shield.

SPECIAL QUIRKS: Lieutenant Vision is way courteous! He never raises his voice, he's always polite, and he always keeps his face fuzz-free—a true master of manners and grooming.

EAGLE EYE (CREATED BY HAWKEYE)

Every sniper needs a spotter. Eagle Eye would be the perfect wingman for good 'ol Clint Barton!

STYLE: His getup is designed using state-of-the-art camo tech and has a secret compartment for Hawkeye's trick arrows.

POWERS: Eagle Eye has bionic vision, of course! He can see through walls and zoom in on things—perfect as Hawkeye's sidekick!

SPECIAL QUIRKS: When he's not saving the day, Eagle Eye likes to retreat into his cabin in the woods, wear a plaid polo and suspenders, and chop some wood. If ya don't geddit, watch *Age of Ultron*, stat!

ORB-WEAVER (CREATED BY BLACK WIDOW)

If Black Widow had her way with Vision, he'd be mos def named after a creepy crawly!

STYLE: Just like the spider he's named after, Orb-Weaver has a shell on his back that doubles as his weapon and shield.

POWERS: His shell produces unlimited web ammo, so baddies don't have the chance to fight or flee!

SPECIAL QUIRKS: Orb-Weaver is the total opposite of Black Widow. She is serious and indifferent while he's a joker (Cap says he's funnier than Iron Man. Shh! Don't tell Tony!). Even when he's in a dangerous sitch, Orb-Weaver always delivers the punchline!

WE GOT TO DISCUSS ALL THINGS STAR WARS WITH COOL COSPLAYER ALODIA GOSIENGFIAO. CHECK OUT THE STORMTROOPER HELMET SHE DESIGNED!

K-ZONE: Hey, Alodia! What's your fave Star Wars movie or T.V. show?

ALODIA: Star Wars Rebels is a pretty cool show.

KZ: The force is strong with you! So who are you cosplaying in Star Wars Rebels?

A: The wicked weapons expert, Sabine Wren! She looks fierce in her outfit, armor, and hairstyle. Plus, she's an artist!

KZ: Speaking of art, you're pretty creative yourself. Tell us the inspiration behind your Star Wars Stormtrooper helmet design?

A: I took inspiration from Sabine Wren's color scheme: pink and purple. I also added a cool decal to represent Sabine's kick-butt personality. She's an action girl!

KZ: If you were to create a lightsaber, what color would it have?

A: A blue lightsaber. Because I fight for good. #TeamJedi

KZ: What's your fave Star Wars quote?

A: The iconic, "May The Force be with you." It has such a powerful and positive message. It's like wishing someone luck and spreading good vibes.

KZ: Lastly, any cosplaying tips for our KZ readers?

A: Be resourceful and immerse yourself in the character.

IRL (IN REEL LIFE)

WHAT WOUL

WHEN IT COMES TO BEING THE TOP SNOOPY, THE HAPPY BEAGLE

THE FLYING ACE

Are you afraid of fast and loopy rides? Dark, empty rooms? Flying cockroaches? Whenever Snoopy needs to be brave, he dons a helmet, goggles, and a scarf then imagines himself as The Flying Ace—pilot extraordinaire and distinguished dogfight defender! So when you feel terrified of something, be your own Flying Ace and conquer that fear!

WORLD-FAMOUS NOVELIST

So your group mates voted for you to handle a class presentation about famous local heroes. What would Snoopy do? The world-famous novelist is never at a loss for words. He loves sitting on his doghouse and typing away on his trusty typewriter, working on his next bestseller. Like Snoopy, step up to the plate, son! Who knows, you could be the next big playwright.

JOE COOL

Do you get tongue-tied around girls, especially your crush? Be like Joe Cool A.K.A. Snoopy's suave, charming, and funny alter ego. Chill, man! It's just a chat. Ask what her fave T.V. shows and app games are, or music she listens to—y'know, start a natural convo to shake off the awkward jitters. Does she like dogs? Aaaww yisss, if she does!

D SNOOPY DO?

DAWG, NO ONE DOES IT BETTER THAN LIVING IN THE BRIGHT RED DOGHOUSE!

BEAGLE SCOUT

Snoopy is an excellent tracker and Beagle Scout. He's always prepared! So if you get lost in a mall or crowded place, don't panic. Think quick. Go to the spot where you last saw your fam bam, call your mom on her mobile phone, or look for the concierge and ask for help. Think of it as a challenge, dude, and lock down that target!

A LOYAL FRIEND

When Charlie Brown is having a bad day or feeling like a total loser, Snoopy always comes to his rescue. His loyal dog has a lot of tricks up his sleeve (He can dance the tango and charm the ladies!) that will help Charlie feel like a winner. Do the same for a friend in need. Encourage your bud to dream big and then help him achieve his goals. Because friendship is magic!

3 I should improve on...

A. My selfish behavior
B. My temper
C. My stubbornness
D. My irresponsibility
E. My shyness

RESULTS

If you answered mostly A's, your life peg is MABEL PINES from *Gravity Falls*!

Fun is your middle name! You're an outgoing, free-spirited, and optimistic ball of energy who keeps a positive attitude 24/7. You're a hopeless romantic who always sees the best in people. Although, that could also mean that you're more affected when others let you down. Just like Mabel, you have a bit of a selfish side and can be self-righteous, but you mostly mean well.

FOLLOW YOUR PEG: Get crafty and make your own stuff just like Mabel.

If you answered mostly B's, your life peg is DONATELLO from *Teenage Mutant Ninja Turtles*!

You may not be as friendly and outgoing as your friends, but you're extremely loyal. You're sensitive, so you tend to take it harder when people leave or disappoint you. Parties aren't really your thing, because you're a socially awkward penguin, er, turtle who'd rather be at home, reading a book, or playing with your gadgets. You have a bit of a temper, especially when the Wi-Fi is sloooow or your vgame strategy isn't going according to plan.

FOLLOW YOUR PEG: Study hard and read lotsa good books like your brainy turtle bro here.

If you answered mostly C's, your life peg is FINN from *Adventure Time*!

All you want to do is be a great hero. You're a do-gooder who wants to protect and help people. Even if you try to look rough and tough, people see you as a kind, good-hearted, compassionate, and responsible person. Plus, you'd make a rad best bud, especially to dogs with spaghetti arms. You can be stubborn at times and a bit gullible, but whatevs. You rock, dude!

FOLLOW YOUR PEG: Explore (with adult supervision) and have an adventure any chance ya get.

If you answered mostly D's, your life peg is STEVEN from *Steven Universe*!

Everyone loves you! You're friendly, happy-go-lucky, and not afraid to burst into song when the situation calls for it. You're more in touch with your feelings than others and aren't afraid to cry when you need to (after all, tears have healing powers, yo). Sure, you're a bit naïve, kinda immature, and you don't understand the concept of personal space (#Clingy), but there's always room for improvement. Hey, nobody's perfect!

FOLLOW YOUR PEG: Is your bro feeling down? Make him laugh. Laughter is ze best medicine!

If you answered mostly B's, your life peg is PANDA BEAR from *We Bare Bears*!

You're gentle, sensitive, and mild-mannered. You prefer connecting with people online than IRL. If there's one thing you need to change, it's to be brave enough to stand up to bullies who cut in line. You're a whiz at social media and you have a strong artistic side, too. When you're hungry, you tend to go #BeastMode, but we totally get that.

FOLLOW YOUR PEG: On a weekend road trip with the fam? Take photos, live blog, or record a video of your trip then upload them online.

IKKAKU MADARAME'S BANKAI-RYŪMON HŌZUKIMARU (*BLEACH*)

PUPPETS JUTSU(-ISH)! (*NARUTO*)

Shurikens and kunais are the most awesome weps in *Naruto*, you say? We raise you Sasori's Red Secret Technique, where he uses 100 puppets as weapons to destroy his enemy! Did you see his epic fight against Sakura and Granny Chiyo's Chikamatsu Collection of 10 Puppets? #NuffSaid

KIRITO'S ELUCIDATOR (*SWORD ART ONLINE*)

Wielding a plain, pitch-black sword never looked so cool until Kirito kicked, er, slashed hundreds of baddie butts with his Elucidator. Game on, Kirito!

TSUNAYOSHI SAWADA'S X-GLOVES VERSION VONGOLA RING (*REBORN!*)

No one can defeat you when you have a magical glove that gives you superpowers like flying and the ability to shoot bursts of flames. Well, maybe Chuck Norris can.

TECH IT OUT

PHUNK'S NOT DEAD!

MAKE WAY FOR THE PHUNKEEDUCK, THE SWAGGIEST PERSONAL TRANSPO SINCE THE SEGWAY!

PHUNKEEWHAT?!

The PhunkeeDuck is like a Segway (circa 2001) minus the handlebars. It's arguably the most famous Two Wheels Smart Balancing Scooter Drifting Board Electric—Phew!—transpo on the planet! This skateboard-slash-scooter glides like a dream, thanks to motorized gyroscopic tech that runs on batteries. You can cruise and do sharp turns while riding the PhunkeeDuck. Use it when you're too bored to walk, run, or chase your li'l sis!

DUCK, DUCK, WOOSH!

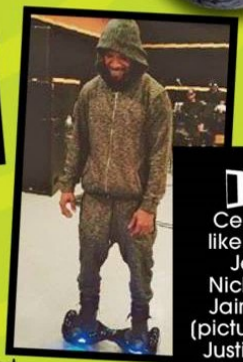
The best thing about the PhunkeeDuck is it's incredibly easy to operate. Just stand on the rubber pads (One foot at time, dude!), and maneuver it by using your weight: Lean forward to accelerate, lean back to brake, and lean on your left or right side to turn. Easy-peasy lemon squeezy!

The PhunkeeDuck has a top speed of 20 kmph—that's as fast as a bicycle on normal gear!—and can carry up to 300 pounds. But as cool as it is, the PhunkeeDuck won't work properly on uneven surfaces like grass or gravel. You can't use it under the rain, too.

BE A MASTER OF PHUNK WITH YOUR PHUNKEEDUCK

1. Dress up as R2-D2 or BB-8 and ride your PhunkeeDuck, making random beeps and noises at strangers!

2. For a real challenge: PhunkeeDuck basketball! Standard bball rules apply, but every time someone falls, the other team gets a point! Don't forget to wear safety gear, bros!



DYK?

Celebrities like Kendall Jenner, Nick Jonas, Jaime Foxx (pictured), and Justin Bieber are avid fans of the PhunkeeDuck!

BE CAREFUL W YOU WISH

Blag!

Joey jerked the moment the heavy paperweight slipped from his hands and hit the floor. He could not believe he actually fell asleep while sorting through Lolo Frank's odds and ends in the attic.

Lately, Joey had been restless in his sleep. His grandpa just passed away. Joey was starting to miss him and his storytelling.

He remembered one tale in particular: Lolo Frank once told him that he owned a lamp with an honest-to-goodness genie.

"Maybe the guy who sold me the lamp was just pulling my leg, who knows?" Lolo Frank laughed.

Joey continued to search through the pile of stuff on the floor. Suddenly, he felt a cold metal object. He quickly pulled it out. It was an old-fashioned genie

lamp—just like the one from *Aladdin*!

Joey tried rubbing the lamp. Nothing happened.

"Abracadabra!" Joey shouted. Again, nothing happened. He tried shaking it but the lamp stood still.

Joey gave up and tossed it back into the pile. After staring at it for a while, he started seeing weird figures snaking around the lamp's dusty surface. Joey picked up the lamp again, spat on it, and rubbed it vigorously.

Without warning, the room fell eerily silent. Joey's ears started to hurt—the silence was deafening. He dropped the lamp and covered his ears, scrunching up his face in pain.

"Master?" said a low voice.

Joey opened his eyes. A ghostly, thin man appeared before him. *He must be the genie from the lamp.* His skin was gray and his eyes were blazing red with small, black dots for pupils. The lower part of the man's body faded into a wisp that came from the lamp.

Joey couldn't believe it. Lolo Frank's story was real!

"You have three wishes, master," the genie said.

Joey couldn't wait to get started. "I wish for—"

"Joey?" A voice suddenly called out from outside. The attic's door slowly opened and his sister, Tracy, peeped in.

"—Seal this room so no one could enter!" Joey blurted out without thinking.

A smooth, whooshing sound came from the lamp. "Very well, master," the genie said.

Joey frowned. *One wish wasted!*

"I wish for—" he began again.

"Joey! Open up!" Tracy banged on the door.

"Tracy, zip it!" Joey exclaimed.

The genie instantly flicked a finger in the air. Then Joey heard sounds of a muffled cry that came from behind the attic's door.

Tracy kept banging on the locked door. Her lips were shut tight by a zipper that suddenly appeared on her mouth.

"What happened to your mouth?!" Joey heard his mom shout from outside. She began shrieking for help.

"I'm scared! I wish Lolo Frank were here!" Joey said in a panic, not realizing the consequences of what he had wished for.

Bang!

A decomposing body of a man magically appeared from the shadows. Wriggling maggots swarmed all over his face and one of his eyes was missing. His ghoulish arms were outstretched toward Joey, who looked terrified.

It was Lolo Frank.

"Thank you for bringing me back, my boy." The corpse's jaws clicked with every word.

Joey screamed at the top of his lungs but no one came to his rescue. He got what he had wished for.

FIELD TRIP

LEATHER-RI

THE DYNAMIC DUO BEHIND SOUL FLOWER TAUGHT US HOW TO MAKE LEATHER CRAFTS!

TEACHER PATRICIA OF SOUL FLOWER SCHOOLS FELIZE AND KZ KID CREW GAT (RIGHT) ON HOW TO MAKE GENUINE LEATHER CRAFTS!

WHAT IS LEATHER CRAFTING?
"It's the process of using leather and making something usable like a wallet, pouch, bag, belt, or even art."
– Teacher Patricia

DIY BRACELET

1. To get the right length of your bracelet, put the pre-cut strip of leather around your wrist. With a ballpen, mark a point on the leather where the snaps will be attached. Ask the help of an adult when cutting the leather using scissors or a cutter.
2. Using a hammer and hole puncher, carefully punch holes for the snaps and hammer them down to the marked spots on the leather. Make sure the snaps are tight. If they're wobbling, hit them again with a hammer. Now try on your bracelet! Snap on the lock and you're good to go!

FIC!

DIY POUCH

1. First, fold the pre-cut leather in half on it's rectangular side (Don't fold it with the top flap!). Then equally punch holes on the left and right sides of the folded pre-cut leather using a hammer and chisel. Don't punch too hard, dudes. You might damage the leather.
2. Next, secure the sides of the folded pre-cut leather. Ask an adult or your pal to hold it while you sew through the holes on each side with a needle and thread. Can't find someone to help ya? Place the pre-cut leather between your knees then start sewing. Be careful and don't prick yourself, bro!
3. Using a hammer and an anvil, attach a snap to the center of the front side of the pouch and another one to the tip of the pouch's flap. If you wanna add designs to your pouch, cut out shapes from another piece of leather or material and sew them onto your pouch. To make complicated designs, ask your teacher to help you.

DIY CORD ORGANIZER

1. It's super-easy to make a cord organizer: Attach a snap to each center edge of the pre-cut leather then carefully hammer down the snaps using an anvil and a hammer–Voila!–a cool leather cord organizer! Now make your Mom proud by organizing your gadget cords using your creation.

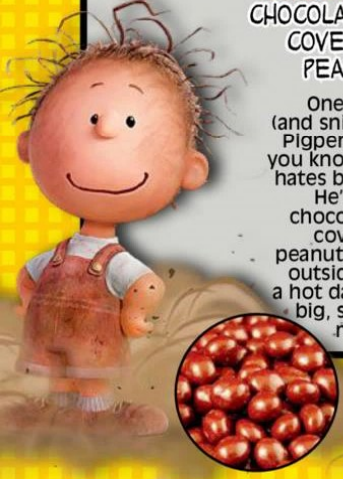
IF THE *PEANUTS* CHARACTERS WERE ACTUAL NUTS, WHAT KIND WOULD EACH OF THEM BE?

PIGPEN
CHOCOLATE-COVERED PEANUT

One look (and sniff) at Pigpen and you know he hates baths. He's like chocolate-covered peanuts left outside on a hot day—a big, sticky mess!



SNOOPY
REGULAR PEANUT

Regular peanuts may be, uh, regular but they sure are flavorful. You can make awesome stuff with them like peanut butter (which makes anything taste 100x better)! Peanut butter is a good treat for dogs. Snoopy prolly has a jar stashed in his doghouse.

CHARLIE BROWN
UNSALTED PEANUT

The round-headed kid is painfully shy and awkward. He thinks that the new girl in school won't talk to him 'coz she might think he's boring. Poor Charlie Brown! We think he's a good goober and a lovable loser no matter what he does.

LUCY

Charlie Brown's cranky gal pal likes trolling her friend any chance she gets. Lucy may be hotheaded sometimes, but she adds just enough zing to spice up the gang.

LINUS

It's like a regular fluffernutter sandwich with a twist, er, crisp! The bacon strips in between the layers of peanut butter and marshmallow fluff add a salty surprise to this schweet treat.

VERY JELLY PATTY

Whazinit: peanut butter, feta cheese, grape jelly, burger buns, lean ground beef, breadcrumbs, milk, salt, pepper, beaten egg, crushed garlic clove, cayenne pepper, and Worcestershire sauce

Can't decide between a PB&J sandwich and a cheeseburger? Why not get both? It may seem like an odd combo, but these two together is just heaven, trust!

NUT WAFFLIN' AROUND

Whazinit: peanut butter, waffles, lightly toasted walnuts, banana, and maple syrup

Level up regular waffles by adding more crunch, sweetness, and a whole lotta nutty flavors to each bite!

NUTTY SMOOTHIE

Whazinit: peanut butter, banana, milk, vanilla ice cream

Beat the heat with this milkshake. Top it with a dollop of whipped cream to add extra creaminess. Mmm-mmmmm!

THE PB BOMB

Whazinit: peanut butter, vanilla, cream cheese, butter, powdered sugar, brown sugar, salt, Reese's pieces, and Peanut M&Ms

It's called "The PB Bomb" 'coz it's an explosion of peanut buttery goodness in your mouth! Pair it with salty crackers or breadsticks for a sweet and salty combo!

DOG EDI

FRESH FIDO BREATH

- How to brush your dog's teeth without getting your mits dirty: Grab his fave chew toy, put some dog-friendly toothpaste on it, and let him get his chew on! #SqueakyClean

- Your pet's tongue needs brushing, too, son! Get a new lint brush, spread some dog-friendly toothpaste all over it, and let your dog lick the minty-fresh brush.

- Add parsley, which contains chlorophyll that is believed to temporarily treat stank breath, to his food. If your dog's dragon breath still persists, visit the vet, stat!

FEEDING FRENZY

- To prevent your pet from suffering from the dreaded bloat, put a clean, medium-sized toy ball in his kibble so he won't gobble down the food all at once.

- Keep dog food pellets fresh and crunchy by storing them inside an airtight container with a spout like a plastic pitcher. Just twist the lid and pour the pellets onto his dish—crunch time!

- Does your dog bark up a storm every feeding time? Prepare his food somewhere he can't see you. Out of sight, out of mind! #PeaceAndQuiet

CANINE CARE MADE DOGGONE EASY!

BATH TIME!

- Bathe your dogs with lukewarm water so they won't thrash around like it's the end of the world. Soaking them with the right water temperature helps calm their nerves.

- Dogs absolutely HATE getting water into their eyes and ears. Solution: Cover their eyes and ears with a shower cap before you wet their head.

- For a dry bath, sprinkle baking soda on your dog's coat (avoid the eyes, ears, and nose), massage it into his skin, and wait for 30 minutes before brushing all of the powder off.

DOG DAY AFTERNOON

- To prevent your dog from suffering from heatstroke during summer walks, cut up an old pair of cargo shorts, stuff the pockets with ice, and firmly secure the pack on his back. Ta-dah! Instant cooling vest!

- If you're walking two or more dogs at the same time, use a carabiner to hook all their leashes onto a main leash. Don't walk too many dogs tho. They could drag you when they get scared or see a cat.

TRICKS OF THE TRADE

POTTY TRAINING 101: Hang a bell on a doorknob and ring it whenever you take your dog out to poop and pee. Every time he hears the bell ring, he'll associate the sound with bathroom breaks.

CLICKER TRAINING is one of the best methods to train a dog. No clicker? Grab a squeaky toy to help ya teach your dog tricks. When he follows your command, squeeze the toy and give him a treat.

SWEET TREAT: Most healthy dog treats are expensive. Boiled *saba* or *kamote* are great alternatives! Avoid giving your dogs too much treats tho, so they don't become overweight.

SNOOPY'S STAR TREATMENT

The world's most famous beagle just got a very nice treat! Last November 2, Snoopy was given a star on the Hollywoof—Oops!—Hollywood Walk of Fame. He was nuzzling, patting, and chilling proudly beside his new award, which was right next to *Peanuts* creator Charles M. Schulz's. The famous pup was so excited, he danced for joy in front of everybody!

STAR WARS HOME INVASION

Ever wished R2-D2 lived in your house and served you ice-cold drinks? Wish granted! The folks at AQUA, a division of home appliances maker Haier Asia, are rolling out a remote controlled R2-D2 personal refrigerator. Just press a button and the droid will serve you cold drinks! It can even rotate its head and flash lights just like the real Artoo! However, you can't buy it in stores. The R2-D2 refrigerator is only available online for, oh, $8,300. Start saving, son!

NO-MAJ A.K.A. THE AMERICAN MUGGLE

Harry Potter author J.K. Rowling has a new term for non-magical folk in America (So much for, "muggles!" WUT.): No-Maj. As in no magic. Fans all over the world were disappointed and expressed their outrage on Twitter. "Muggle for life! No-Maj is a no go!" tweeted one user to @jk_rowling. Welp, better get used to it, bros. The author said that normal people in the upcoming film *Fantastic Beasts and Where to Find Them*, which is set in 1928 New York, will be referred to as "No-Maj." No joke!

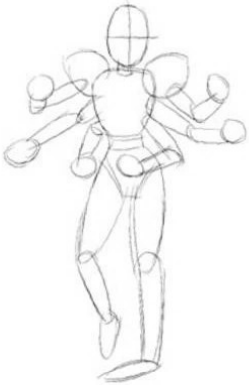
HOW TO DRAW ALEXANDRITE



STEP 1: IT'S FUSION TIME!

Lightly sketch the form of Alexandrite using a pencil. Her head is shaped like an oval while her body is like an hourglass. Draw each of her arms one at a time using small circles and long ovals. Add crosshairs on her head to mark the eyeline and center of her face.

STEP 2: HEADS UP!

Draw a horizontal number 8 for Alexandrite's visor and a small number 7 for her nose. Draw a semi-circle for her mouth, short lines for her teeth, then add curved lines above and below her mouth for her lips. Add a small oval and some semi-circles on her forehead for her gems. Next, sketch the outline of Alexandrite's face and neck. Add her thick and wild hair last.

STEP 3: TORSO EASY

For her uniform's collar, draw a short line below the neckline. Her upper body is shaped like a large egg. Draw a W on her chest and a V below it. Add a small oval above the W for Alexandrite's gem. Now draw her egg-shaped shoulder pads and her thick waistband.

STEP 4: SIX-ARMED GIANT

Alexandrite has three pairs of arms. Draw each of them one at a time so you don't get confused. Her top and middle hands have gloves while her lower arms have arm sleeves with one-finger gloves. Draw her six clenched fists last.

*Artist based his drawing on the character from *Steven Universe*

STEP 5: LEGGY CREATURE

First draw her right thigh down to her right knee. Sketch a partly visible, elongated star design on her knee. Finish drawing her lower leg and feet. Repeat the process for her left leg.

STEP 6: COLORED CRYSTAL

Trace over all your pencil marks using a pen. After the ink has dried completely, erase all your pencil marks and add color. Alexandrite's hair, upper gloves, body, and legs are all blue green, while her skin is fuschia. Her visor and shoulder pads are violet, while the star pattern on her knees are pink. Use different shades of each color to add depth to your artwork. Time for another epic adventure, Alexandrite!

DID YOU KNOW?
Legacy of the Void is the final chapter of the *StarCraft* storyline.

STARCRAFT II: LEGACY OF THE VOID

PLAY IT ON: PC **GENRE** REAL-TIME STRATEGY **RATING** PG

In *StarCraft II: Legacy of the Void*, it's the Protoss race's time to shine! The expansion pack focuses on the legend of our favorite half-robot, psychic aliens. So drop those pylons, warp in those photon cannons, and roll out those carriers 'cause we'll show you how to annihilate the opposition the Protoss way!

A NEW WORLD ORDER

Hold on to your keyboards, folks! *LotV* speeds things up a bit.

In previous expansions, most players spend an average of five minutes at the start of the game gathering resources, creating workers, and balancing an economy. In *Legacy of the Void*, players already have starting workers, so they can build their HQ faster!

Hooray for new and powerful units added to each race, too! Protoss players can now control the ghost-like Adepts, Zerg players can look forward to the return of the Lurker, while Terran players can command a flying version of a siege tank.

PROTOSS LIKE A BOSS!

Dominate any race by following these pro tips.

VERSUS TERRAN

Stalkers have lightning speed and a longer attack range than Marines. Use your micromanagement skills to instantly beat a squad of Marines with just a single Stalker.

VERSUS ZERG

The Zerg are like a colony of gross insectizoids powered by energy drinks. These creatures are fast and furious. Counter their aggressive attacks with a whole lotta defense. As the Zerg swarm in, funnel them into a narrow path by creating buildings along the entrance of your base. Deal more damage by building Photon Cannons behind those buildings. If they try to break your barricades, they'll be incinerated. MWAHAHA!

VERSUS PROTOSS

As advanced as they are, the Protoss are bad at detecting invisible units early on. Fortuntely, if you're playing against the same race, your enemy has the same problem. So take your invisible units on a detour around the enemy's Photon Cannons and start smashing their Probes. Buh-Bye, enemy scum!

DID YOU KNOW?

"Brood War," a classic track featured in the very first StarCraft game, is also presented in LotV.

PROTOSS PARENTING

Could your dad be a Protoss in disguise? Tick all that apply.

- ☐ When you ask him if he's hungry, he says, "I hunger for battle."
- ☐ When you ask your dad whom does he work for, he says, "For Adun!"
- ☐ When he picks you up from school, he says, "Carrier has arrived."
- ☐ When you are about to knock on the door of his room, he suddenly shouts out, "We feel your presence!"

So, if your dad is never late, can read your mind, and has a cryptic vocabulary, chances are he's a Protoss boss!

LEET EQUATION

PEEKABOO!

Here's how to defeat these spooky specters.

SLIMAMANDER

HP: 400
Weakness: Wind
EXP: 240
Money: 1,000
Item: Simple Badge

To defeat this Yo-kai, aim at his weak point: the eyes! Be careful when one of his necks is sticking out—he's about to use a melee tongue attack on you. (Ick!) Watch out when all three of his heads are active: He's about to hit you with a special attack.

SPROINK

HP: 900
Weakness: Water
EXP: 480
Money: 2,200
Item: Sparkling Badge

First, attack Sproink's head to make him stop covering his tummy with his bucket. Once he lets his guard down, target his bellybutton. Remember to alternately hit his head and navel. If ya aim at his tummy repeatedly, he will launch a stronger counter attack. Nope, nope, nope!

JUST KEEP SWIMMING!

DON'T WORRY, BROS! LIFE IS AN OCEAN OF EMBARRASSMENT!

While I was in a restaurant waiting for my food to be served, I saw someone who looked like DanTDM. Convinced that he was my idol, I stared at him for a while. Before he left, I went up to him screaming, "OMG! Is that really you, Dan?" The guy turned around and said, "Who is Dan?" The other kids in the resto laughed at me. I was so embarrassed!

ERIX REYES

During a brownout, I got so bored I started talking to myself. My mother heard me and asked whom I was talking to. I told her I was just watching T.V. "But there is no electricity!" she said. #FacePalm

ACE STRIKER

JAN EDRED HERNANDEZ

I wanted to prank my brother, so I set up a trap that would trip him up. But after a while, I forgot all about it and my prank backfired on me!

SHAWN MARMO

I was walking with my friends while drinking iced tea. I was beside my crush when one of my friends suddenly pushed me, and I accidentally poured my drink on my crush! I didn't talk to her for a month.

CHARLES FLORENCE CUYANA
